

Boby corporate

The **Body Corporate** page lists all users who are linked to at least one unit.

By definition, any **unit owner** is considered a member of the body corporate, so this page provides a complete overview of all owners within the building.

Key points

- Only users **assigned to one or more units** appear on this page.
 - This page allows you to see a **full list of owners**, their contact details, and the units they are linked to.
