Miscellaneous

Other maintenance

New task		\$1,033	\$1,067.09	\$1,102.30	\$1,138.68
Test			\$250	\$250	\$250

It can also be downloaded from the [Approval](#) page.

This report is presented in 2 parts:

- **Part 1** contains the high-level information detailing the levy contributions pertaining to each unit, as well as the key assumptions that were made to support the calculation of per unit contributions
- **Part 2** contains the detailed breakdown of expenses which form the basis of calculating unit contributions for the forthcoming year
